EDUCATE A CHILD

For as little as R100 a month or R1200 a year you can provide a child with access to affordable, quality, Christian education that will pave the way for a better future for them and their families. Your donation is used to cover a percentage of what it costs to educate a child. Your contribution will help relieve the financial pressure on families who struggle so desperately to make ends meet. Your monthly donation is not limited to R100 and bigger donations are most welcome.

Your sponsorship will have a direct impact on a child at Oasis Preparatory School and you will actually see your donation at work. Initially, you will receive a photograph and profile of the child you will be sponsoring. After that you will receive regular reports from the school or snippets of information and newsletters from the School. These reports will help to build a vivid picture of one child's journey to hope.

By setting up a debit order you can ensure a hassle-free monthly donation.
